

ALIZÉ

LOW ARMCHAIR

DESIGN BY PASCAL MOURGUE

ITEM 8907

The Alizé low armchair is a sturdy, comfortable piece that makes the ideal addition to your garden. With its streamlined silhouette that combines purity and lightness, and its contemporary look designed with relaxation in mind, the armchair offers real comfort with its backrest that can be adjusted to two different positions. How can you resist? This item of garden furniture is covered with Outdoor Technical Fabric, making it highly resistant to extreme weather conditions and ensuring that 100% of its components can be recycled. Once again, Fermob is doing its bit for sustainable development. With its aluminium frame and tearproof fabric, this armchair is made to last. Combine your armchair with the footrest for even greater comfort.
