

DUNE PREMIUM

CHAIR

DESIGN BY PASCAL MOURGUE

ITEM I201

Fermob has not only redesigned its bestselling chair in order to meet professionals' needs and expectations more closely; it has also created a new «Premium» version of the Dune chair. This version is Premium in terms of its comfort and lightness, with its OTF seat and backrest, and Premium in terms of its resistance, with its backrest reinforcement that guarantees the correct tension and condition of the fabric under ultra-intensive usage. Finally, it is also Premium in terms of the ease with which it can be installed and stored.
